Dear Special Abbreviated Pull-Tab License Applicant:

Enclosed is a Missouri Special Abbreviated Pull-Tab License Application. Before completing the application form, please read the following information carefully to determine if your organization qualifies for the abbreviated pull-tab license.

To qualify for a Special Abbreviated Pull-Tab License, you must be one of the following not-for-profit organizations. Also, you must have obtained an exemption from the payment of federal income taxes as provided in the appropriate section of the Internal Revenue Code of 1954, as indicated below.

1. **Charitable** - 501(c)(3)
2. **Fraternal** - 501(c)(5), 501(c)(8), or 501(c)(10)
3. **Religious** - 501(c)(3) or 501(d)
4. **Service** - 501(c)(4), 501(c)(5), or 501(c)(7)
5. **Veterans** - 501(c)(19)

The Special Abbreviated Pull-Tab License should be requested, if your organization intends to sell pull-tabs only without conducting bingo. This license is valid for a period not to exceed 24 hours or 1 day. You may conduct up to fifteen (15) of these pull-tab events per calendar year.

The Missouri Special Abbreviated Pull-Tab License Application, Form 105, must be completed in its entirety and must be signed by the CHIEF OFFICER or SECRETARY of the organization. Refer to the application for instructions and additional attachments required.

Please forward the completed application and applicable documentation to the Missouri Gaming Commission, Charitable Games Division, P. O. Box 1847, Jefferson City, MO 65102. ILLEGAL GAMBLING DEVICES

In keeping with the Missouri Gaming Commission's emphasis on providing clear expectations to all bingo licensees, we must remind you that possessing, using and/or allowing other individuals to use or store gambling devices on the bingo premises is a serious violation of the law. Section 572.070 RSMo, 2000 provides that a person commits the crime of possession of a gambling device if, with knowledge of the character thereof, he manufactures, sells, transports, places or possesses, or conducts or negotiates any transaction affecting or designed to affect ownership, custody or use of: (1) A slot machine; or (2) Any other gambling device, knowing or having reason to believe that it is to be used in the state of Missouri in the advancement of unlawful gambling activity. Possession of a gambling device is a class A misdemeanor.

Gambling devices carry various name brands. In general terms, these gambling devices are what we commonly know as "no-chance," pre-reveal, video poker or slot machines. You should not be misled by any distributor's assurances about the legality of these machines, or labels that state "For Amusement Only". Basically, a gambling device is any device for which there is a cost to play and an opportunity for winning cash or anything that has, or can be converted to tangible value. If any illegal gambling devices are ever found anywhere on the premises of any licensee, the organization could incur suspensions, fines, or revocation of their license. Note that premises as used in this notice include the entire structure within which the bingo hall is located.

If you have any questions or doubts about the legality of any machines, please call the Missouri Gaming Commission, Enforcement Section of the Charitable Games Division at 573-526-5370, or toll free in Missouri 1-866-801-8643 for clarification.
