

MISSOURI GAMING COMMISSION

COMMISSION RESOLUTION NO. 25-172
APPROVING THE PETITION TO TRANSITION TO NON-FLOATING FACILITY

October 29, 2025

WHEREAS, on August 8, 2025, PNK (River City), LLC, a Class B licensee in Missouri (“the Petitioner”) filed the attached Petition for Approval to Transition to Non-Floating Facility (“Petition”);

WHEREAS, Section 313.800(20) RSMo, defines a nonfloating facility as follows:

“Nonfloating facility”, any structure within one thousand feet from the closest edge of the main channel of the Missouri or Mississippi River, as established by the United States Army Corps of Engineers, that contains at least two thousand gallons of water beneath or inside the facility either by an enclosed space containing such water or in rigid or semirigid storage containers, tanks, or structures;

WHEREAS, based on the Petition and the evidence presented by the Petitioner, the Commission hereby finds as follows:

- 1) The proposed nonfloating facility is within 1,000 feet of the Missouri River;
- 2) The existing floor space and proposed additional space structure will contain approximately 150,000 gallons of water by an enclosed space beneath the facility; and
- 3) The structure meets the definition of a nonfloating facility under Section 313.800(20), RSMo.

NOW, THEREFORE, BE IT RESOLVED, that the Petition for Approval to Transition to Non-Floating Facility is approved.

SO ADOPTED.
