

MISSOURI GAMING COMMISSION

COMMISSION RESOLUTION NO. 25-173
APPROVING THE PETITION FOR NON-FLOATING FACILITY

October 29, 2025

WHEREAS, on October 1, 2025, Century Casinos, Inc., a Class A licensee in Missouri, and IOC – Cape Girardeau, LLC, a Class B licensee in Missouri (collectively “the Petitioners”) filed the attached Petition for Approval for Non-Floating Facility (“Petition”);

WHEREAS, Section 313.800(20) RSMo, defines a nonfloating facility as follows:

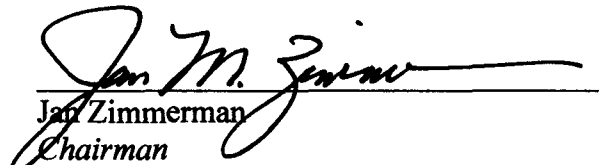

“Nonfloating facility”, any structure within one thousand feet from the closest edge of the main channel of the Missouri or Mississippi River, as established by the United States Army Corps of Engineers, that contains at least two thousand gallons of water beneath or inside the facility either by an enclosed space containing such water or in rigid or semirigid storage containers, tanks, or structures;

WHEREAS, based on the Petition and the evidence presented by the Petitioners, the Commission hereby finds as follows:

- 1) The proposed nonfloating facility is within 1,000 feet of the Missouri River;
- 2) The existing floor space and proposed additional space structure will contain over 900,000 gallons of water by an enclosed space beneath the facility; and
- 3) The structure meets the definition of a nonfloating facility under Section 313.800(20), RSMo.

NOW, THEREFORE, BE IT RESOLVED, that the Petition for Non-Floating Facility is approved.

SO ADOPTED.
