SETTLEMENT AGREEMENT

The Missouri Gaming Commission takes up the above matter for consideration and disposition. The Missouri Gaming Commission ("MGC" or "Commission"), by Director Michael A. Leara, and St. Louis Gaming Ventures, LLC d/b/a Hollywood Casino St. Louis ("Hollywood Casino" or "Licensee"), by and through counsel, have reached a settlement in this matter and have consented to the issuance of this Settlement Agreement.

Findings of Fact

1. The Missouri Gaming Commission is a state commission created under Chapter 313, RSMo (2016)[1], with jurisdiction over gaming activities in the state of Missouri. Article III, Section 39(g) of the *Missouri Constitution* delegated authority to the Commission to regulate sports wagering in the state of Missouri.

2. The Commission issued a Retail license to St. Louis Gaming Ventures, LLC d/b/a Hollywood Casino St. Louis to conduct retail wagering activities in the state.

3. As the holder of a Retail license, Licensee is subject to the provisions of Article III, Section 39(g) of the *Missouri Constitution* and the regulations promulgated thereunder by the Commission.

4. Missouri's catalog of approved events states that wagering on yellow cards and red cards in soccer matches is prohibited.

5. On June 23, 2026, a review of Licensee's house rules revealed that Licensee permitted wagers on yellow cards and red cards.

6. After inquiry, Licensee confirmed it had accepted 495 wagers from February 12, 2026, through June 22, 2026. These wagers totaled $17,657.53 with $16,911.60 paid out as winnings. MGC Sports Wagering Manager Seth Brown instructed Licensee to remove these wager types from its house rules.

7. In its incident report, Licensee stated that the restriction on yellow cards and red cards was not included in the original catalog prior to the start of live wagering. MGC review, however, showed that the catalog with restricted yellow and red card markets was sent to Hollywood Casino Director of Regulatory Compliance Kevin Meyer on November 13, 2025.

8. Additionally, further catalog updates, all of which included the yellow and red card restriction, were sent on December 12 and December 22, 2025, as well as March 4, April 24, and May 6, 2026.

9. On July 17, 2026, the Commission sent a Notice of Investigation to Hollywood Casino outlining the violations in this matter.

10. On July 29, 2026, Hollywood Casino acknowledged the Notice of Investigation, accepted responsibility for the errors, and outlined additional safeguards to prevent such occurrences in the future.

11. Hollywood Casino acknowledges and understands that it has the right to consult counsel at its own expense.

12. Hollywood Casino admits the facts alleged by the Commission and outlined in this Settlement Agreement and further acknowledges that this agreement resolves the outstanding issues in this disciplinary action.
