Chapter 5—Conduct of Gaming

PROPOSED AMENDMENT

11 CSR 45-5.184 Table Game Cards—Receipt, Storage, Inspections, and Removal from Use.
The commission is amending section (7).

PURPOSE: This amendment allows all decks to be inspected at an alternate table.

(7) Prior to being placed into play, all decks shall be inspected by the dealer, and the entire inspection observed by a floor supervisor or above. Card inspection at the gaming table shall require each deck to either be sorted into sequence and into suit or processed through an automated shuffler or similar device capable of reading the card faces to ensure that all cards are in the deck. For decks that may be used more than once, the inspection shall also require the dealer to check the back of each card to ensure that it is not flawed, scratched, or marked in any way. Card inspection for games *[which use at least a six (6)-deck shoe and allow players to handle the cards]* may be conducted at an alternate table in the same pit. In this instance, the floor supervisor or above shall notify surveillance and surveillance shall record on the surveillance shift log both the table number where the card inspection is conducted and the table number at which the cards are to be placed into play.
