

**Title 11—DEPARTMENT OF PUBLIC SAFETY
Division 45—Missouri Gaming Commission
Chapter 5—Conduct of Gaming**

PROPOSED AMENDMENT

11 CSR 45-5.190 Minimum Standards for Electronic Gaming Devices. The commission is amending section (4).

PURPOSE: This amendment permits additional games to be authorized in Missouri.

(4) Electronic gaming devices shall—

(H) Have a random selection process that must not produce detectable patterns of game elements or detectable dependency upon any previous game outcome, the amount wagered, or upon the style or method of play; **however, the commission may allow a game with a game feature or play mechanic with a detectable dependency if a white paper for the game feature or play mechanic is submitted to and approved by the commission prior to testing by an ITL. The commission reserves the right to require the removal of the program if it determines, in its sole discretion, that removal is in the best interest of the State of Missouri;**

(L) Have available for random selection at the initiation of each play **based upon the selected wager**, each possible permutation or combination of game elements which produce winning or losing game outcomes **for that wager; however, the commission may allow a game with a game feature or play mechanic that does not offer each possible winning or losing game outcome if a white paper for the game feature or play mechanic is submitted to and approved by the commission prior to testing by an ITL. The commission reserves the right to require the removal of the program if it determines, in its sole discretion, that removal is in the best interest of the State of Missouri;** and
