No annual operation fees have been collected in calendar year 2019.

The passage of Senate Bill 87, which became effective August 28, 2019, brought about several changes in state statute for fantasy sports contest operators.

The due date for payment of the annual operator's fee was moved from April 15th to November 1st, therefore, there is nothing to report as revenue for calendar year 2019. In addition, the legislation reduced the annual operator's fee from 11.5% to 6% of the licensed operator's net revenue. All revenue collected is placed in the Gaming Proceeds for Education fund.
